Personal Injury:

Personal Injury is the area of the Law that offers compensation to victims who have been injured or killed as the result of another person or company's intentional, reckless or negligent actions. Personal injury victims typically suffer from extensive physical and psychological injuries, and often require expensive medical care and treatment. Victims should be entitled to monetary compensation for medical bills, lost wages, pain & suffering, and loss of enjoyment of life.

We work diligently in obtaining the best possible settlement or award, which can make a critical difference for you and your family by providing the medical care, rehabilitation, and monetary compensation you need to recover and put your life back on track. We treat each client as an individual with unique problems and needs.

Our Personal Injury Services serve victims in the following areas:

- Automobile Accidents
- Civil Assault & Battery
- Dental Malpractice
- Medical Malpractice
- Nursing Home Abuse / Neglect
- Pedestrian Accidents
- Premises Liability
- Products Liability
- Sexual Battery
- Slip & Falls
- Wrongful Death
